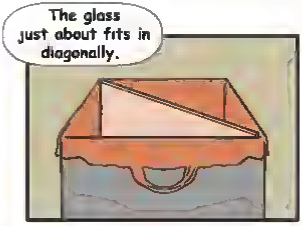
By the Glass...

A few days ago,
I replaced a broken frame
with a new frame

And I was trying to throw the old frame away

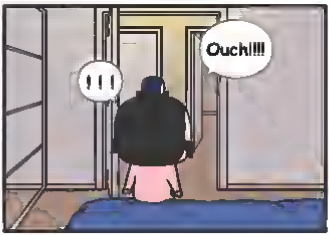
But I wasn't sure what to do with the glass.



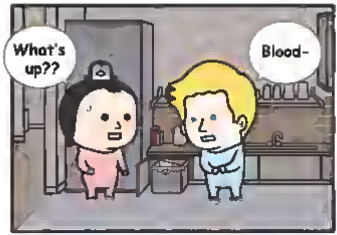
Then I realized that the glass wouldn't fit in the bin if I wrap it in something.

I'll wrap it if I get some paper later.
and just tell Mev to be careful even if it isn't sharp

That night.



Ouch!!!!
!!!



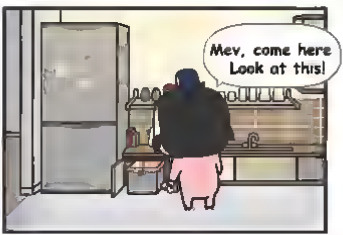
Mev was bleeding.

I pushed the trash in with my fists so there would be more space in the bin
Aww... How did it happen?
And the edge of the glass got me

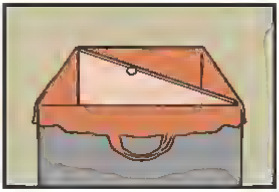
Aww...
Why didn't you turn the light on?
I just forgot that you said about the glass.

Mev got a cut on his finger quite badly, it kept on bleeding.

I felt so sorry for him.



I went to the bin to throw away
some used tissues and found something



There was his cut flesh
an the edge af the glass.

I got shacked by its visual,
and soon Mev said

*Kogi(고기): Meat
